

Celebrating MSME Day – 27 June

Micro, Small and Medium Enterprises (MSMEs) are the backbone of the Indian economy, playing a vital role in fostering entrepreneurship, generating employment, and driving inclusive growth.

Recognizing the significant contribution of MSMEs towards sustainable development, the United Nations General Assembly has designated **27th June as MSME Day**. This day aims to promote greater awareness about the importance of MSMEs in economic and social development.

At **Shivalik Small Finance Bank**, we remain committed to supporting MSMEs by enabling access to finance, promoting financial inclusion, and facilitating business growth. Through our diverse range of tailored financial solutions, we strive to empower entrepreneurs and contribute to the development of a resilient and vibrant MSME ecosystem.

On this MSME Day, we reaffirm our commitment to partner with small businesses and enterprises as they continue to drive innovation, create opportunities, and strengthen the nation's economy.
